ENTERED AT SAN FRANCISCO, CAL., AS SECOND-CLASS MATTER

SYPHILIS

A TEXT BOOK FOR PRACTITIONERS.

By E. L. KEYES, JR., A. B., M. D., PH. D., Adjunct Professor of Genito-Urinary Surgery, New York Polyclinic Medical School and Hospital; Assistant Visiting Surgeon to St. Vincent's Hospital; Special Lecturer on Genito-Urinary Diseases, Georgetown University Medical School, etc.

This work, essentially practically founded on 2,500 CASES OF SYPHILIS, observed and recorded in a Genito-Urinary practice of many years, is the first and only book on the subject in English which treats all the phases of the disease. Results are recorded for almost half a century in the KEYES Clinic.

With 60 illustrations and 7 plates: six colored; 8vo., cloth, \$5.00 net.
